I was in cross country and am currently in track and I received a varsity letter in cross country. Baseball is my favorite sport by far, of which I root for the Detroit Tigers. I've preached before at my church and I lead the singing every Sunday. Following in my father's footsteps, my plans are to become a preacher when I get older. At the beginning of 9th grade, I took voice lessons and piano lessons. Piano is one of my big hobbies. On Wednesdays at church, I play the piano. Finally, my other big hobby is playing on the computer. I like to tinker with lawnmowers and everything else, including computers. I've broken computers and lawnmowers a few times and learned more about them. Living in Ohio isn't too bad, but I still root for U of M in college football.".... loves it."..... (source: his mother Amy Lance of Bucyrus, Ohio to her brother-in-law, Michael Lester Lance, via letter, Dec 2002).

"Stephen is getting ready to graduate this Spring and head off to Massillon Baptist College (where Amy and I went...only 1 1/2 hours from here). That way he can come back on the weekends and lead the music and play the piano and teach Sunday school, etc. He played the piano for a guy who sang when we were in Grand Rapids [Michigan] and did a great job. When he accompanied before, he played too loud (his trait...LOUD and powerful), so I told him he needed to tone it down so everyone could hear the singer. As I said, he did a great job and made me a proud dad.".... (source: his father Kenneth James Lance to his older brother, Michael Lester Lance, via e-mail, 5 Jan 2003).

"Greetings from Ohio!....I am very excited to go to college next fall. I'm going to Massillon Baptist College in Massillon, Ohio. That's the same school my mom and dad went to. I'm going to study music first, then get a pastoral degree....This past year in school is the first time I got all A's for the whole year! I graduated 5th in my class out of approximately 95 students with a 3.97 GPA. The only real bad thing about graduating is that I won't get to run cross-country with Philip. He's going to do really well this year."....(source: Stephen Michael Lance to his uncle Michael Lester Lance, graduation gift thank-you card and note, Jun 2003).

She went into to school and told her friend. Her friend asked if she put the car in park. She hadn't!!! I'm glad the car didn't roll off!....Anna is planning on going to college in Pensacola, Florida. Since she won't have time to drive all the way to Ohio or Michigan for Thanksgiving, she said she will just go to Uncle Mike's!!! (That was nice of her to invite herself, don't you think?) I thought that it would still be too far away but was surprised to find that it would be a straight drive on highway 10 (about 500 miles) and should only take about 11 hours!".....(source: her mother Amy Leigh Lance to her brother-in-law, Michael Lester Lance in Spring, TX, via e-mail, 30 Nov 2003).
