U. S. Federal Census Surname Search Request Form

For quicker and more successful results, please provide as much information as you can about your ancestor on the form below. LinkQuestUSA technicians will search the available federal census records for your ancestor and, if found, rush a photocopy of the original census page to you. Print this page to order your personal census search today! To request searches for different households, please fill out and send separate forms. First search $6.00 and additional searches (census year or household) $2.00 each.

Not every search will be successful due to incomplete records, illegible records, or incomplete or erroneous personal data. Our promise to you is nothing less than maximum effort to provide you with the census page you have ordered. If a search is unsuccessful, we will refund your payment.

On the reverse side of this page, include any other miscellaneous information that might assist with locating your ancestor (i.e. alternate names, migrations, etc.).

** Availability of the 1930 census is very limited.
